

February 12, 2018

Great Civic League Meeting tonight, we had 34 in attendance including a few new guests and some old ones that came back. We have reduced the SNCL dues from 25/15 to 10.00 per family or 5.00 per person effective now. The SNCL will be hosting a Voter Registration day in March with hopes of getting people out to register to vote in our local elections on May 1st.

The SNCL will also be hosting two forums, on March 12th we will be hosting candidates who will be running for the Chesapeake School Board, and on April 9th, we will be hosting candidates who will be running for Chesapeake City Council. There are 5 positions open for the school board and 7 positions open for the Chesapeake City Council. The public is invited you do not have to be a member of the SNCL to attend these forums.

Food Trucks are coming back! Beginning in April the SNCL will be hosting the 757 Eat the Streets again at our Beautiful Elizabeth River Park from 4-8 on the 2nd and 4th Thursday of each month from April – September. Fun for the whole family.

VOLUNTEERS NEEDED: Looking for ways to give back to your community! Volunteer for our July 4th Celebration in the park. If you're interesting in helping please contact Vicki Josue.

Patti McCambridge from the Chesapeake Historic Preservation Commission was in attendance with news of new Streets signs in the near future for the Historic Section of South Norfolk all street signs will be replaced with new poles and signs. They are very large and have "Historic South Norfolk" underneath the name of the street. Thank you, Patti, for attending.

On the report from ForKids, things are moving on. They are in the design phase and hopefully sign planting will take place soon.

The Bank of America building will be coming down in the next few weeks with the start of the bridge happening may-June, the gas was turned off from the building on Friday and the Demo should start very soon. Exciting time for South Norfolk.
